OFFICIAL NEWSLETTER

TRINITY OUTREACH

Trinity continues to support **Stockbridge Outreach**. Paper products have been in short supply so this need is a recurring one and they are very grateful for our donations.

The Outreach is also collecting Easter dinner items to put together Easter Baskets of dinner supplies. If you would like to donate, the table in the narthex is ready to receive them.

New Creation, Love INC's program, would like to thank those ladies of Trinity who provided dinners for the month of February. They stayed and shared dinner and fellowship with the students. New Creation is a program that provides classes to help people to have a healthy and balanced lifestyle. The classes are Affirming Potential, Boundaries, and Faith & Finance. They also provide a variety of electives for the student to choose from.
