Posse T-shirts Marilyn working on & will have more info next month.

Lois asks if posse can help pay for pens for our outreach booth for Day in Village in Stockbridge & for visitors & other outreach things. We don't have to get the tent as Marilyn got a Thrivent grant for that. We are all in favor, & Lois will let us know how much money they need at next month's meeting.

Free Will Offerings from soup suppers, how do we want to use.

Discussed using some to go toward Mites for our LWML mission grants as District still needs a lot to meet our goal. Lois made motion we send \$300 from soup suppers to Mi District .

All in favor.

We will also get all our mite box money counted so we can send that in too.

Closed with The Lord's Prayer .

Lois served resurrection rolls for dessert

Respectfully submitted in service to Our Lord
